After the LESSEE obtains all approvals necessary in order to exercise the option, including that of the State Properties Review Board, and so notifies the LESSOR in writing, the LESSOR shall have thirty (30) days within which to complete the tasks set forth in Section 5.01 with respect to said additional space. 4.01 COMPLIANCE WITH APPLICABLE LAWS

The LESSOR, LESSOR Parties (as defined in Article 7 (Indemnification; Duty to Defend)) and LESSOR'S contractors shall comply fully with all applicable Connecticut Statutes, regulations, codes, rules and executive orders. Failure to comply with any of the above shall constitute a default by the LESSOR and the LESSEE may take any and all actions as are permitted by law.

4.02 CONDITION OF THE DEMISED PREMISES

The LESSOR covenants that the Demised Premises presently and at all times during the term of this lease, shall comply fully with all applicable Federal, State and local laws, rules, codes, regulations and adopted guidelines, all at no cost to the LESSEE. The cost to cure any non-compliance shall be at the sole cost and expense of the LESSOR.

4.03 ENVIRONMENTAL AFFIDAVIT

If the construction of the Total Premises was completed prior to January 1, 1980, then the LESSOR shall, prior to the execution of this lease and as a condition precedent to the commencement date of this lease, procure and deliver to the LESSEE a certification by a professional engineer licensed in Connecticut stating either that the Demised Premises are free of asbestos containing materials ("ACM") or that any existing ACMs are encapsulated in compliance with applicable State and Federal laws and regulations, including, but not limited to, those of the Occupational Safety and Health Act ("OSHA"), the State of Connecticut Department of Environmental Protection and any relevant Environmental Protection Agency ("EPA") regulations, guidelines and procedures. The professional engineer shall be acceptable to the LESSEE. If the LESSOR fails to deliver this certification on or before seven (7) days after this lease is ready for execution by the LESSOR, then this lease and all discussions and negotiations concerning this lease shall be of no force or effect and shall be treated as if they had never existed or taken place and no liability of any kind or for any purpose shall attach to the LESSEE concerning this lease, the Demised Premises or any negotiations relating thereto.

4.05 DUTY TO MAINTAIN AND REPAIR

The LESSOR shall maintain the Demised Premises and any and all equipment, fixtures, and appurtenances furnished by the LESSOR under this lease in good repair and working condition at no cost to the LESSEE. In case of damage arising from the willful misconduct or gross negligence of the LESSEE, its officers, agents and employees, the LESSEE shall reimburse the LESSOR for that damage. If the damages cost more than \$1,000, the LESSEE shall not reimburse the LESSOR until the LESSOR shall have submitted to the LESSEE itemized competitive bids for the work and the LESSEE shall have approved a reasonable bid cost and a description of the scope of work. Provided, further, that the LESSOR shall submit to the LESSEE the bids and scope of work no more than thirty (30) days following the date that the damage is alleged to have occurred. The LESSEE'S prior written approval of an itemized competitive bid and the description of the scope of work are conditions precedent on the part of the LESSEE to reimburse the LESSOR for any repairs and/or replacements.

For the purpose of so maintaining the Demised Premises, the LESSOR may at reasonable times, and with the approval of the authorized representative of the LESSEE, inspect the same and make any necessary repairs thereto at no cost to the LESSEE.

If the LESSOR fails to make any repairs, replacements and/or work within twenty-four (24) hours after the date of written notice of same from the LESSEE in the case of essential systems or seven (7) days after the date of written notice from the LESSEE in the case of repairs, replacements and/or work to non-essential systems, the LESSEE in its discretion and without further notice to the LESSOR may make the repairs, replacements and/or work and deduct the cost thereof and expenses connected therewith from rents due or to become due under the terms of this lease, or may recover all or any portion of such cost and expenses by other appropriate means. In the case of essential systems, the LESSEE in its sole discretion may terminate this lease, subject to Article 10 (Notices).

Notwithstanding the aforesaid, if the failure to perform any of the repairs, replacements or work constitutes a hazard to any part of the Total Premises or any person, then the LESSEE may immediately cause such hazardous conditions to be corrected, without written notice to the LESSOR and deduct the costs and expenses thereof from rents due or to become due under this lease.

4.06 CARPETING AND REPAINTING

The LESSOR shall replace carpeting every 5 years within ninety (90) days of the anniversary date of the commencement of the lease term, at its sole cost and expense. The LESSOR shall be responsible to move all furniture, fixtures and equipment at its sole expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. The work shall be accomplished during the LESSEE'S non-operating hours in a good and workmanlike manner and so as not to unreasonably interfere with the conduct of LESSEE'S business. In case a conflict or a difference in interpretation arises between or among any of the terms and conditions of Exhibit C, if applicable and attached, and this Section 4.06, then such conflict or difference shall be resolved in favor of the terms and conditions set forth in Exhibit C.

The carpet shall be commercial quality, wall-to-wall or carpet squares, as the LESSEE may require, 100% nylon, tufted, level loop with permanent anti-static and soil hiding features. The LESSOR shall move all furniture, fixtures and equipment at its sole cost and expense. The LESSOR shall not be responsible for the moving of the LESSEE'S computer data equipment or the personal effects of LESSEE'S employees. 10/4/04

4.07 SECURITY

The LESSEE may, at its own discretion, install, and subsequently remove, security enhancements to the Demised Premises, including, but not limited to secured access, cameras and an intrusion system at the LESSEE'S sole expense. The LESSEE may at any time, without notice to the LESSOR and at the LESSEE'S expense, perform a security audit of the Demised Premises or Total Premises. The LESSOR shall comply with any renovations required to complete security modifications including, but not limited to, adding security personnel, equipment installation, and wiring as required. Any and all costs and expenses associated with adding security personnel shall be borne by the LESSEE. 4.08 DEFAULT

Failure to prepare, maintain, service, repair or replace equipment as required under this lease shall constitute a default by the LESSOR. If all or part of the Demised Premises becomes unfit for use for the purposes leased, such shall also constitute a default by the LESSOR. In either case, the LESSEE, in its discretion, may terminate the lease or pursue any other remedies allowed by law. For any period that the Demised Premises or any part thereof is unfit for the purposes leased, the rent shall be abated in proportion to the area determined by the LESSEE to be unfit for use.

4.09 FAILURE TO FULFILL OTHER OBLIGATIONS

If the LESSOR has any other obligations under this lease that the LESSOR fails to fulfill within ten (10) days after the date of notice from the LESSEE, the LESSOR shall not be entitled to receive any rent or additional rent during such period. The LESSEE, in its sole discretion and without further notice, may withhold any rental payments during such period of failure. The LESSEE upon such failure may terminate this lease or may fulfill such obligations itself and deduct the cost thereof and expenses connected therewith from rents due or to become due the LESSOR under the terms of this lease, or may recover all or any portion of such cost and expenses by other appropriate means. Notwithstanding any other provision in this lease, including Article 8, if any essential service or utility is interrupted for any reason for more than four consecutive business days, Base Rent and Additional Rent shall abate until the service or utility is fully restored. If any essential service or utility is interrupted for any reason for more than thirty (30) cumulative days in any twelve month period, the LESSEE may terminate this lease upon ten (10) days' prior written notice to the LESSOR without incurring any penalty or any further liability.

(b) If the Demised Premises, or any part thereof, or access thereto, shall be so damaged or destroyed by fire or other insurable casualty that the LESSEE shall not have reasonably convenient access to them, or if any portion of the Demised Premises shall thereby be otherwise rendered unfit for use and occupancy by the LESSEE for the purposes set forth in this lease, and if in the commercially reasonable judgment of the LESSOR the damage or destruction may be repaired to the point where the Demised Premises will be rendered fit for the purposes set forth in this lease within ninety (90) days after the occurrence of the damage or destruction, time being of the essence, then the LESSOR shall so notify the LESSEE within ten (10) days after the occurrence of the damage or destruction and shall repair such damage or destruction (except damage or destruction to personal property) with reasonable diligence. If the LESSOR shall not complete such repair within ninety (90) days after the occurrence of the damage or destruction, time being of the essence, then the LESSEE shall have the right to terminate this lease by giving written notice of such termination to the LESSOR within twenty (20) days after the end of such ninety (90) day period; provided, however, that if the completion of repairs shall be delayed by reason of force majeure events, as set forth in Article 8 of this lease, the time for completion shall be extended by the period of such delay. If in the commercially reasonable judgment of the LESSOR the Demised Premises, or means of access thereto, cannot be repaired within ninety (90) days after the occurrence of the damage or destruction and the LESSOR does not deliver to the LESSEE notice of its decision to repair such damage within ten (10) days after the occurrence of the damage, time being of the essence, then either party shall have the right to terminate this lease by giving written notice of such termination to the other party within the period of thirty (30) to forty-five (45) days after the occurrence of such damage or destruction. If neither party gives such notice of intention to terminate this lease, then the LESSOR shall repair the damage or destruction with reasonable diligence. All such repairs shall be performed in a workmanlike manner by a contractor's properly trained professionals, selected by the LESSOR, and at no cost or expense to the LESSEE.

10A.02 ABATEMENT OF RENT

If, by reason of such damage or destruction, the LESSEE shall not have reasonably convenient access to the Demised Premises or if any portion of the Demised Premises shall be otherwise rendered unfit for use and occupancy for the purposes set forth in this lease, then the Fixed Base Rent and the Additional Rent shall be equitably suspended or abated as of the date of the damage until ten (10) days after the LESSOR has (a) substantially completed the repair of the Demised Premises and the means of access to it, and (b) notified the LESSEE in writing. If such damages or destruction was solely caused by the gross negligence of the LESSEE, then there shall be no abatement of the Fixed Base Rent or the Additional Rent. Neither an election by the LESSOR to carry rental loss insurance nor an election by the LESSEE to carry business interruption insurance shall affect the provisions of this Article.

10A.03 EVENTS OF TERMINATION

(a) If more than 25% of the net usable square feet of the Demised Premises shall be wholly or substantially damaged or destroyed by fire or other casualty at any time during the last six (6) months of the lease term, then either the LESSOR or the LESSEE may terminate this lease by delivering a written notice of termination to the other party within (30) days after the damage or destruction.

(b) Notwithstanding the provisions of this Article, if, prior to or during the lease term: (i) the Demised Premises shall be so damaged by fire or other casualty that, in the LESSOR's commercially reasonable opinion, substantial alteration, demolition or restoration of the Demised Premises shall be required, or (ii) the Total Premises shall be so damaged by fire or other casualty that, in the LESSOR's commercially reasonable estimate, the cost to repair the damage will be more than 25% of the replacement value of the Total Premises, as of the time immediately prior to the occurrence of the casualty (whether or not the Demised Premises shall have been damaged or rendered untenable), then, the LESSOR, at LESSOR's option, and with the written consent of LESSOR's Mortgagee, if any, may give to the LESSEE, within ninety (90) days after such fire or other casualty, a thirty (30) days' notice of the termination of this lease. If the LESSOR gives such notice, then this lease shall terminate upon the expiration of such thirty (30) days, with the same effect as if such date were the expiration date. The Fixed Base Rent and the Additional Rent shall be apportioned as of such date and any prepaid portion of the Fixed Base Rent or the Additional Rent for any period after such date shall be refunded by the LESSOR to the LESSEE within thirty (30) days following the expiration date. The LESSEE may thereafter holdover in the Demised Premises, rent free, until the LESSEE, acting with due diligence, is able to locate, lease and relocate to another property.

10A.04 INSURANCE PROCEEDS UPON TERMINATION

If the LESSOR terminates this lease pursuant to this Article, all insurance proceeds payable with respect to the damage giving rise to such right of termination shall be paid to the LESSOR and the LESSEE shall have no claim to it.

10A.05 SCOPE OF LESSOR'S REPAIRS

If the LESSOR elects or shall be obligated to repair or restore any damage or destruction, the scope of work shall be limited to the original basic building and interior work, and the LESSOR shall have no obligation to restore or replace the LESSEE's personal property. Nothing in this lease shall be construed as a waiver or limitation on any cause of action that the LESSEE has or may have against the LESSOR for loss of tenant improvements, business interruption and other such cases.

ARTICLE 10B: CONDEMNATION

10B.01 CONDEMNATION OF DEMISED PREMISES

If less than the whole or a substantial part of the Demised Premises shall be condemned, and the Demised Premises can be used for the same purpose as before, the LESSEE's interest in the condemnation assessment and any individual assessment will be limited to the LESSEE's leasehold interest in the condemned premises.

10B.02 TAKING OF TOTAL PREMISES

If (a) more than 25% of the net usable square feet of the Total Premises shall be condemned, or (b) if any adjacent property or street shall be condemned or improved by a public or quasi-public authority in such a manner as to require the use of any part of the Demised Premises, so as to require, in the commercially reasonable opinion of the LESSOR, a substantial alteration or reconstruction of the Total Premises, then the LESSOR may terminate this lease as of the earlier of (i) the date of the vesting of title, or (ii) the sixtieth (60th) day following the LESSEE's receipt of written notice from the LESSOR of the vesting or dispossession date. If so, the Fixed Base Rent and the Additional Rent shall be apportioned as of such termination date, and the LESSEE's interest in the condemnation assessment and any individual reassessment or condemnation award will be limited to the LESSEE's leasehold interest, if any.

10B.03 AWARDS

Except as provided in this Article, the LESSOR shall be entitled to the entire award in any condemnation proceeding or other proceeding for taking for public or quasi-public use, excluding the LESSEE's leasehold interest in the condemned premises, if any, which will belong to the LESSEE. This Article shall not be deemed to give to the LESSOR any interest in or to require the LESSEE to assign to the LESSOR any award made to the LESSEE specifically for its relocation expenses or the taking of personal property and fixtures belonging to the LESSEE.

10B.04 ABATEMENT OF RENT.

If a partial condemnation or other taking does not result in a termination of this lease as to the entire Demised Premises, then the Fixed Base Rent and the Additional Rent shall be adjusted in proportion to that portion of the Demised Premises taken by such condemnation or other taking. The LESSOR shall, at its sole cost and expense, make all necessary repairs or alterations to the Total Premises so as to constitute the remaining Demised Premises a complete architectural unit to the extent that the same may be feasible, provided that the LESSOR shall not be obligated to undertake any such repairs and alterations if the cost thereof exceeds the award resulting from such taking.

10B.05 IMMUNITY

Nothing in this lease shall be construed as a waiver of or limitation upon the LESSEE's immunity to condemnation by inferior and/or unauthorized condemning authorities.

ARTICLE 11: SUBORDINATION AND ATTORNMENT

11.01 SUBORDINATION

This lease is subordinate to any mortgage, which has been or may from time to time be placed against the Total Premises, or any part thereof, and is also subordinate to any and all renewals, modifications, consolidations and replacements thereof. Although no instrument or act on the part of the LESSEE shall be necessary to effectuate such subordination, upon request of the LESSOR the LESSEE shall, to the extent allowed by law, execute and deliver to the LESSOR such instruments or instruments as the LESSOR may reasonably need relative to such subordination. In the event of any foreclosure of any such mortgage or a sale in lieu thereof, the LESSEE, so long as no material default exists on its part under this lease, shall not be disturbed in its occupancy of the Demised Premises, and this lease shall continue in full force and effect with the LESSEE recognizing and attorning to the then owner of the Total Premises as its lessor hereunder.

11.02 ATTORNMENT

In the event of any sale, assignment or foreclosure of any mortgage, lien, deed or other security instrument with reference to any part of the Total Premises, including repairs, replacements, improvements and work, the LESSEE shall execute and deliver to the LESSOR a consent, attached hereto as Exhibit G (Consent to Assignment). No change in ownership shall be binding upon the LESSEE unless and until the LESSOR has furnished the LESSEE either the original instrument evidencing such transfer or a certified copy thereof.

11.03 QUIET ENJOYMENT

Notwithstanding the above, the obligations contained in this lease to be performed by the LESSOR shall be binding on the LESSOR'S successors and assigns during their respective periods of ownership. Upon the LESSEE'S paying the fixed base rent and any additional rent and performing all of the LESSEE'S material obligations under this lease, the LESSEE may peacefully and quietly enjoy the Demised Premises during the lease term, renewal or any extended or holdover term as against all persons, entities and/or mortgages lawfully claiming by or through the LESSOR.

ARTICLE 12: ENTIRE AGREEMENT

12.01 ENTIRE AGREEMENT

This lease, including the exhibits and schedules, if any, attached hereto and any plans, drawings, specifications, affidavits, maps, booklets or parts thereof, contains the entire agreement of the parties and all prior negotiations, agreements and understandings are merged herein. Neither the LESSOR'S nor the LESSEE'S representatives have made any representations or warranties with respect to the Demised Premises or this lease, intending to be bound thereby, except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by the LESSEE by implication or otherwise unless expressly set forth herein.

ARTICLE 13: STATE APPROVALS

13.01 STATE APPROVALS

This lease, and any amendments or modifications thereto, whatever the circumstances, shall not be binding on the LESSEE unless and until approved by the State Properties Review Board and the Attorney General of the State of Connecticut, the same being evidenced by their respective signatures on the appropriate documents.

ARTICLE 14: MODIFICATIONS

14.01 MODIFICATIONS

Any modification of this lease, or additional obligation assumed by either of the LESSOR or the LESSEE in connection with this lease, shall be binding only if evidenced in writing and signed by the LESSOR and the LESSEE or an authorized representative of the LESSOR or the LESSEE, and first approved in writing by the State Properties Review Board and the Connecticut Attorney General. The LESSEE shall not have any obligations or duties under this lease except for those expressly set forth herein.

ARTICLE 15: TITLE TO TOTAL PREMISES

15.01 TITLE TO TOTAL PREMISES

The LESSOR covenants that it is the owner in fee simple of the entire property on which the Demised Premises is located, including common and parking areas, where applicable, and of which the Demised Premises is a part (collectively, the "Total Premises"). The LESSOR also covenants and warrants to having good right to lease the Demised Premises and agrees to defend the title thereto and to reimburse and hold the LESSEE harmless from all damage and expenses which the LESSEE may suffer by reason of any restriction, encumbrance or defect in such marketable title. The LESSOR shall permit the LESSEE to occupy, possess and peacefully enjoy the Demised Premises without hindrance or molestation from the LESSOR or any other party or person claiming by, from or under the LESSOR.

ARTICLE 16: FINANCIAL INTEREST

16.01 STATEMENT OF FINANCIAL INTEREST

The LESSOR shall execute and deliver to the LESSEE a statement of financial interest, attached hereto as Exhibit E (Statement of Financial Interest), which execution and delivery shall be a condition precedent to LESSEE'S execution of the lease. Any false statement contained in said affidavit shall constitute a breach of this lease and shall constitute grounds for the LESSEE to terminate the lease at any time by giving written notice of same to the LESSOR without prejudice to any other remedies the LESSEE may have.

16.02 AUDIT

The State of Connecticut or its authorized agent reserves the right to audit the financial records of the LESSOR with respect to any documents, invoices, books, records or papers, in any existing form, associated with provisions of this lease at this location prior to the payment of any additional rent to amortize the LESSEE'S share of the cost of repairs, replacements and work completed by the LESSOR on behalf of the LESSEE, if any. The LESSEE also may audit any other documents, invoices, books, records or papers, in any existing form, related directly or indirectly to LESSEE'S payment of other additional rents for up to three (3) years after the final payment, at any time during the term of this lease and/or the construction of any other improvements by the LESSOR on behalf of the LESSEE.

If there shall be more than one LESSOR, they shall be bound jointly and severally by each and every section and provision of this lease.

17.03 UNENFORCEABILITY AND AMBIGUITIES OF LEASE PROVISIONS

If for any reason the terms of this lease or any substantive provision thereof, shall be found to violate public policy or be ambiguous, unenforceable or illegal, this lease shall be amended to conform to the applicable decision, and the LESSOR and the LESSEE shall execute any amendments necessary to effectuate the goals and purposes of this lease as soon as possible. All such amendments shall be subject to the provisions of Article 13 (State Approvals) of this lease.

17.04 APPLICABLE EXHIBITS

The LESSOR shall do and perform all things and acts that are necessary or appropriate to maintain and not breach such confidentiality. Further, the LESSOR shall, at no cost to the LESSEE, fully cooperate with the LESSEE and take all appropriate steps to prevent the LESSOR Parties from discovering or disseminating any such confidential data and/or information. If LESSOR fails in its obligations under this Section, then LESSOR shall be responsible for any Claims, liabilities, damages, losses, costs and expenses, including but not limited to, attorneys' and other professionals' fees, that may arise therefrom, directly or indirectly, in connection with the breach of this Section.

QAP
10/4/04

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of sexual orientation, in any manner prohibited by the laws of the United States or of the State of Connecticut, and that employees are treated when employed without regard to their sexual orientation; (2) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission on Human Rights and Opportunities advising the labor union or workers' representative of the contractor's commitments under the this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (3) the contractor agrees to comply with each provision of this section and with each regulation or relevant order issued by said Commission pursuant to Section 46a-56; (4) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts concerning the employment practices and procedures of the contractor which relate to this provisions of this section and Section 46a-56. 12/4/04

The following section is inserted in this contract in connection with subsection (a) of Section 4a-60 of the General Statutes of Connecticut, as revised:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the State of Connecticut. The contractor further agrees to take affirmative action to ensure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Commission; (3) the contractor agrees to provide each labor union or representative of workers with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the Commission advising the labor union or workers' representative of the contractor's commitments under this section, and to post copies of the notice in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and Sections 46-68e and 46a-68f and with each regulation or relevant order issued by said Commission pursuant to Sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the Commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and Section 46a-56. If the contract is a public works contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works project.

For purposes of this section, "minority business enterprise" means any small contractor or supplier of materials fifty-one percent or more of the capital stock, if any, or assets of which is owned by a person or persons: (1) who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise, and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n; and "good faith" means that degree of diligence which a reasonable person would exercise in the performance of legal duties and obligations. "Good faith efforts" shall include, but not be limited to, those reasonable initial efforts necessary to comply with statutory or regulatory requirements and additional or substituted efforts when it is determined that such initial efforts will not be sufficient to comply with such requirements.

Determination of the contractor's good faith efforts shall include, but shall not be limited to, the following factors: The contractor's employment and subcontracting policies, patterns and practices; affirmative advertising, recruitment and training; technical assistance activities and such other reasonable activities or efforts as the Commission may prescribe that are designed to ensure the participation of minority business enterprises in public works projects.

The contractor shall develop and maintain adequate documentation, in a manner prescribed by the Commission, of its good faith efforts.

The contractor shall include the provisions of subsection (a) of this section in every subcontract or purchase order entered into in order to fulfill any obligation of a contract with the state and such provisions shall be binding on a subcontractor, vendor or manufacturer unless exempted by regulations or orders of the Commission. The contractor shall take such action with respect to any such subcontract or purchase order as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance in accordance with Section 46a-56; provided, if such a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

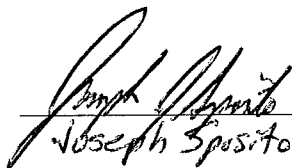

The contractor agrees to comply with the regulations referred to in this section as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

AFFIDAVIT OF NET USABLE SQUARE FEET OF DEMISED PREMISES

State of Connecticut

County of Hartford

1. I/We Jonathan Keller, Managing Member of Fremont 155, LLC, of the Total Premises, known as 155 Founders' Plaza, 255 Pitkin Street, East Hartford, Connecticut 06108, of which the Demised Premises is a part, being duly sworn, depose, say and acknowledge that the net usable square feet for a proposed lease of the Demised Premises to the State of Connecticut is, to my/our own personal knowledge, 32,628 square feet.

2. Further, I/We agree that the above-listed amount was arrived at, pursuant to the following definition of net usable square feet in paragraph 3.

3. For purposes of this affidavit and its corresponding lease, I/we agree that the term "net usable square feet" shall be defined as follows: The interior floor area of the Demised Premises used for office and other purposes. Any space that is either shared in common with other tenants, such as entrance and elevator lobbies, hallways and bathrooms, or that is used by LESSOR for other tenants or used as janitorial or electronic/mechanical closets, is not part of net usable square feet. If any of these areas listed above are for the sole use of a tenant, they shall be counted in that tenant's net usable square feet. The measurement includes structural elements of the building found in the LESSEE'S space, such as columns and projections necessary to the Total Premises or Demised Premises, but excludes vertical space penetrations of the same, such as elevators, stairwells, airshafts and stacks. Measurement of net usable square feet is from the dominant (over 50%) inside face, such as window glass of the exterior wall, to the interior surface of a wall separating a tenant from an adjacent tenant and to the inside face of a common corridor, elevator shaft, stairwell, airshaft and stack.

- (b) All work shall meet or exceed all Federal, State and local laws, rules, codes, regulations and corresponding adopted guidelines. All work shall be consistent with the latest issue of the DPW A/E Procedures Manual.
- (c) Any and all costs associated with design professionals, planners, consultants, permits, legal fees, insurance, etc. associated with design and construction shall be paid for by the LESSOR. The LESSEE shall provide review and comment within thirty (30) days of receipt of said documents. Approval of the said documents shall not relieve the architectural firm of responsibility for error, inconsistency or omission in the design of said documents.

If a subcontractor refuses to furnish a release or waiver, or if the LESSOR is otherwise unable or unwilling to provide any lien waiver, the LESSOR must, unless waived by the LESSEE, furnish a bond satisfactory to the LESSEE to indemnify the LESSEE against such lien. If such lien remains unsatisfied after payments are made, the LESSOR shall pay to the LESSEE, no later than 45 days after the LESSEE so notifies the LESSOR, all such amounts as the LESSEE may have paid or otherwise expended in discharging such lien, including all costs and reasonable attorneys' and other professionals' fees.

In the event that the LESSOR cannot meet the completion date set forth in Section III (b) due to Force Majeure, the LESSOR and LESSEE shall agree in writing to extend that date. Any increase in cost due to such extension shall be at LESSOR'S sole cost and expense. In the event of any breach or default, not directly attributable to Force Majeure, the LESSEE, at its option, may terminate this lease upon written notice in the manner provided in Section 10.01. ADDITIONAL RENT

The LESSEE shall pay as additional rent Sixty-Seven and Sixty-Five Hundreths percent (67.65%) of any real property tax increases on the Demised Premises during the term of occupancy that exceed the Base Taxes. The term Base Taxes is defined as those taxes levied on the Demised Premises pursuant to the assessed value in effect on the date following the first 100% assessment of the Demised Premises as improved for the LESSEE, provided that:

- (a) none of the escalation provisions in this Exhibit shall apply unless and until the LESSOR is in compliance with each and every renovation and improvement provision of this lease. In no event shall the LESSEE be liable for any tax increase based on a partial tax assessment in any tax year.
- (b) such real property tax increase includes an assessment of the property as fully improved in accordance with the approved plans and specifications and further reflects the termination of any municipal action or program to "phase-in" or "abate" taxes by the temporary reduction of the assessment or the direct reduction of real property taxes on the subject property;
- (c) in no event shall the LESSEE be obligated, required or liable to pay as additional rent, or otherwise, any such real property tax increases attributed to alterations, additions, improvements or any other changes made to the Demised Premises for the sole benefit of parties other than the LESSEE;
- (d) any such additional rental payment shall be established on the Town of East Hartford's fiscal year (July 1 to June 30) basis, and there will be an apportionment on a per-diem basis in regard to the last possible additional rental payment in the event occupancy by the LESSEE ends on a day other than June 30;
- (e) the LESSEE shall be relieved of all liability for increased taxes based on any revaluation of the Demised Premises by the municipality unless the LESSOR gives written notice by certified mail to the Commissioner of the Department of Public Works within ten (10) days of notice to the LESSOR by the municipality of the revaluation so as to permit the LESSEE to contest such revaluation if the Commissioner determines it to be appropriate. At the LESSEE'S request and expense, the LESSOR shall execute such documents, make such appearances and/or comply with any reasonable request of the LESSEE in connection with any such contesting. In the event that the LESSOR contests any such revaluation without written consent of the commissioner, the LESSEE shall not be responsible for any costs incurred by the LESSOR in contesting such revaluation;
- (f) following payment by the LESSOR of any tax for which the LESSOR is entitled to a reimbursement as hereinbefore provided, the LESSOR must present a copy of the

receipted tax bill to the Department of Public Works Commissioner no later than ninety (90) days after the due date for the payment of the last installment of the tax, in order to be entitled to reimbursement. The LESSOR'S failure to apply for reimbursement within the time herein specified shall terminate any responsibility of the LESSEE to make reimbursement; and

- (g) real property tax decreases, if any, based on the above shall be credited to the rent account of the LESSEE.

Subsequent to the satisfaction or occurrence of items (a) and (b) of this Exhibit, the LESSOR shall forward to the Department of Public Works and the State Properties Review Board, as per Article 10 (Notices), a certification by the assessor as to the assessed valuation of the Total Premises for the first assessment year in which 100% of the Demised Premises as improved for the LESSEE has been assessed for real estate tax purposes by the municipality.
